My dear Mrs Cleghorn:-

I

wrote my cousin that
he need try to spare
you Shaftesbury the
trouble of me. She
is, of course, delighted,
& has sent a kind
card & her letter.

If may o may not be of any assistance, however such it is. I am foolish to allow myself to get worked up over this matter, but the fact of having been invited to join the Colonists Optimen, & not having my Great Aspirations gets my nerve - & once I create Anathemas of the errors, & I am unable to do the work for saying - Thinking the world can't till all are done. Trusting I may be able to clear matters up - & I

Yours

would like to say my Dakota
Line straight. Will send to the
papers & Home & he can say
when he will be able to take
it the work. It may be he can
not. Let us hope so. Thanking you for
this, for my Dear Dakota, & Mrs Hunter,
Very cordially Lucia N. Mills

My dear Mrs Chapman.

I am writing often on absence from the City & a month. The trip has a most delightful Cruise to the S. P. Rock & Brazil - Of course I shall much & most lonely feel-ale, but it's always a pleasure

I am wondering if she could have written me, & it was misplaced somewhere. I am sure you are really sorry if this the Leap Year Marriage Certificate - As it is I am almost ashamed to mention the last of the "Missing Link" - I have not seen Mrs Fries since my return. I am expecting the Friend of Florida, as the Lord leads daily - Let me have a line from you, when you can - With best wishes Sincerely yours

My dear Mrs Chapman:

I am grateful to you for the work of finding the Visitors Line through Mr. King - I shall see him at once - for certainly a very large number of the regrets of our many Patrons -

The Nelsons papers reached Jamaica
did they not? I am sure you can
be made along that line, I
hope you will do so. Regarding
the Times, she is a real juggler
to me. I am distressed to
hear the Chronicle she lashes so
badly. Dan tried to get it sold,
but she has so many enjoyments.
For instance I planned to have them
could I come there to see her.
All week. There could not be a
time save Sunday P.M.! The
Colonists, Tamores Olsen Organizations,

& Coming & Stop in Richmond.
The Spoke of Leaving will & must
be away. & Having all these
very thoughts Pressing them. If
& Some one could only Convince
me it is wrong. Am found Dec Sunday.
Again thanking you. Love me
Yours Cordially
